

# Lavamac LH series

## Hi-spin washers 22 - 55kg

### LH series

**A range of heavy duty commercial washer extractors built to high standards within the EU. Featuring high grade stainless steel drums and casings across the range. Oversize drums and doors make loading easier and a clear Microprocessor control makes them simple to operate.**

## FEATURES

Microprocessor control

Large loading door

High-G suspended drum

Heating options

Heavy construction

Inverter drive

**Fully programmable, large simple interface, 99 washing programs**

**Large, wide-opening door for easy loading.**

**Full suspension, Hi-G up to 350G for improved drying times**

**Options of steam heating, electric heating or hot water + electric**

**Heavy commercial construction, suitable for most applications**

**Quiet, efficient, totally flexible, controlled acceleration for better distribution**
